Mysore - Fund & Rev: Dept: Ho.

Sir,

With reference to para 9 of Government Proceedings No. 104—113 F. 18—03 Dated 7th Instant forwarding the Budget Estimates of the several Municipalities in the Hassan District for 1903 04, I have the honour to state that from Budget Statement No I relating to the Alur Municipality it will be seen that the income realized

realized during the first half of 1902–03 is far more than half of the arrears during 1901–02 and particularly under label heads the income realized during the first six months of 1902–03 exceeds the realization during the whole of the previous year. The Vice-President of the Ahir Municipality states that the present income of the Municipality admits of further increase if the Collection is efficiently supervised and in submitting the Budget Estimates of the Municipality for 1903–04 the Ahir Town Municipal Board resolved that a Duffedar on Rs 8 per mensem be employed to supervise the Conservancy Establishment and to assist in Collection work

breath on Thursday days as the existing establishment of one peon on Rs6 per mensem is inadequate for both the duties. I have accordingly made a provision for a Bathéen in addition to one peon now employed and as the latter in measure proposes to pay him Rs7 per mensem, as this salary will induce a competent man to undertake the work at Alur.—

2 —— As to two additional sweepers at Rs6 per mensem provided for the current year's Budget of the Alur Municipality, I beg to submit that the existing establishment of sweepers was found by the Alur Municipal Board to be insufficient to manage the conservancy of the Alur Town and Pettah and the neighbouring villages of Mondé

and

and Kumbar Koppal which form part of the Municipality. Hence the increase to the present staff of sweepers as provided is ——— Under the above circumstances, I request you to be so good as to obtain the sanction of Government to the entertainment of the additional establishment as noted in the margin for the Adoni Municipality

I have the honor to be,
Sir,
Your most obedient servant,

K. Ramachandra
